

Information For

Members

Welcome

To the members of **Ski Racers Club**

As members of your club, you are welcome to come and stay at our Lodge in National Park, at **'Members' Rates.**

Slopes is a great base for trips to either side of the mountain, access to bike trails and other activities the area has on offer. This document contains important information to help you get the most out of your stay.

Dinner for the night(s) of your stay and also Breakfast(s) are included. We don't have a cook / custodian though, so it's all about chipping in and doing a bit. Other duties are also listed and allocated by the appointed Lodge Officer.

As I am sure it is at your own club, it is important to remember that we are a club and that the Lodge is not a hotel, motel or a backpackers and therefore requires everyone to show respect to one another and play their part.
